

2004-2005 IEEE CAR TEAM

- The goal is to design and build an autonomous robotic vehicle.
- The students will compete with other southeastern USA universities in Fort Lauderdale in April 2005.
- The 2 semester, interdisciplinary team will consist of electrical, computer, and mechanical engineering senior and maybe junior students. The students need to be enrolled in their senior design course.
- Send an e-mail to Dr. Oscar Gonzalez (ogonzale@odu.edu) if you are interested in participating.
- An organizational meeting will take place on Thursday 9/2/04 at 12:30 pm in Kaufman Rm. 239.
